TRISHA
When you were very little
a math teacher you wanted to be.
You gave it all of your effort
and the result is what you see.
You've always been so conscientious
and made us so very proud,
with the sweetest personality
but sometimes oh so loud.
You're not afraid to voice your opinion
when others are unsure,
Always sensitive to someone's feelings
wanting what is right - nothing more.
The traits you possess will take you through
life's up's & down's along the way.
Making yourself and others happy day-by-day
All of our love and pride go with you as you
venture out into the world.
You have been a special blessing
our darling little girl.
Mom, Dad, Nicki, & Hoppy
